Changes to our team!

We are very fortunate to have four amazing new GPs join our team at The Doctors Bayfair and Papamoa.

Dr Gillian Fraser joined Bayfair in September 2019.

Dr Sam Savage joined Bayfair in October 2019.

Dr Lex Beets joined Bayfair in December 2019.

Dr Ram Naidu joined Papamoa in November 2019

Sam Savage

Dr

Dr Gillian Fraser

Dr Lex Beets

Dr Ram Naidu

They have joined the team to ensure that we can continue to provide a quality service to you.

Immigration Medicals

The cost of the appointment is \$300. All appointments require prepayment, once prepayment has been received we can make you an appointment on a Thursday and Friday of each week.

We can also take prepayment over the phone or internet banking please email reception on baydoc@baymed.co.nz and we will send you all the relevant details we require to book your appointment.

Please note: The \$300 charge does not include the Chest X ray or Blood tests.

Child Immunisations

Immunisation protects children from many serious diseases. It also prevents your whanau and the community from getting sick too. Our doctors or nurses can give these immunisations here.

Ph: 07 5726002 Fax: 07 5726003
8am – 5pm Mon - Fri

Walk-in acute care

We have a walk in clinic operating at both practices,

Bayfair is currently open 8am – 6pm weekdays and 8am – 2pm weekends and public holidays. Papamoa is currently 8am – 1pm weekday only.

These clinics provides medical services to both enrolled and casual patients who need minor urgent care, has had an accident or requires medical attention outside of normal opening hours.

It operates on a 'no appointment necessary' basis with seriously ill patients receiving priority treatment. In the case of an emergency, always call 111.

X-ray services are available close by and many fractures can be plastered on-site.

Please note: we are not able to complete Work and Income forms, Immigration Medicals, Driver's License Medicals or Insurance Medicals in the walk-in accident and medical clinic. These consultations are best completed with your regular general practitioner. Please ask our reception team to book an appointment for you through our general practitioner clinics.

Heart Health

It's never too early to start thinking about your heart health and taking steps to care for it. Find out how to manage your risk of heart attack and stroke.

You or your whanau might be eligible for a free Heart Health Check. Ask our medical team today.

Summer Skin

As we head into the beauty of summer, the very real dangers to our skin also arrive. It's critical that we are aware of the damage the sun can cause when we don't take the proper precautions to protect ourselves and our whanau.

Remember to Slip, Slop, Slap and Wrap!

Want Help to Stop Smoking?

Quitting smoking has many great benefits, and it doesn't take long for them to kick in.

For instance, within 48 hours of stopping smoking, your ability to taste and smell improves.

Quitting is also great for your family's health and for your wallet too.

Every day, New Zealanders are quitting smoking to enjoy these benefits. Nobody will pretend quitting cigarettes is easy. But, if you are thinking about quitting, and you feel the time is right for you to make the change from being a smoker to a non-smoker, then there is a lot of support available to help you.

Ask one of our friendly staff today for more information!

HEALTH CARE HOME
COLLABORATIVE

Health Care Home

The Doctors Bayfair are proud to announce that we will be moving towards a new model of care in 2020

Over 150 practices in NZ are already implementing the Health Care Home model and are working towards a patient centred approach by providing:

- Convenient and flexible appointments
- Access to a wider range of services
- A team approach to patients' care
- Improved business efficiencies

The Doctors Bayfair

42 Girven Road, Mt Maunganui
Ph: 07 5726800 Fax: 07 5750955
8am – 6pm Mon – Fri & 8am -2pm Weekends and Public Holidays

The Doctors Papamoa

26 Gravatt Road, Fashion Island, Papamoa
Ph: 07 5726002 Fax: 07 5726003
8am – 5pm Mon - Fri

With increasing patient demand and expectations, and a limited clinical workforce, we're making the most of new technologies to provide more convenient care, creating positive change in New Zealand healthcare.
