We welcome new enrolments to Albany Family Medical Centre.

When you enrol with us, it is understood that you agree to our Terms of Trade. We require that all accounts are paid in full on the day of your consultation (including phone and email consults) unless a prior payment agreement is already in place.

If any balances of 90 days or more are not paid, it is understood that these will be forwarded onto Baycorp and the client will be liable for any collection costs.
