

## **Registered Provider for Immigration New Zealand**

Mangere Family Doctors (MFD) is a registered panel provider for New Zealand Immigration Applicants for residence and also for applicants requiring temporary entry but intending to stay in New Zealand for more than 12 months. At the first point of contact applicants will need to confirm what type of Visa is required eg **Full Immigration Visa Package (1.)** or a **Limited Immigration Visa Package (2.)** NB: Immigration NZ will give advice to applicants in regard to what type of Visa they require before they apply.

**Normally two – three appointments will be required to complete your Medical. If extra testing required there will be further costs incurred for external Lab Testing.**

MFD can offer an all-in-one package for all Visa Immigration applicants once the fee for service has been paid (Eftpos/cash). An Immigration Patient Information form may be downloaded from the Website and the applicant information completed before coming into MFD.

Service Information on site at MFD “One Stop Shop”:- Monday to Friday 8:30am – 4:30pm.

- **Registered Nurse** – All Laboratory Testing required, Medical Report.
- **X-Ray** - with Horizon Radiology
- **GP** – Consultation - Medical Examination including Laboratory Test Results,
- **Administration** – Photo, Photocopying, Fee payment/receipting, uploading information to Immigration NZ when application requirements are completed.
- **Competitive Fee Structure** for Package 1. Or Package 2. (Please note any extra or special testing required will be at an additional cost for the Immigration Medical applicant.
- **NB:** If an interpreter is required for appointments – it is the responsibility of the applicant to provide.
  - **Applicants Packages include – (please refer to fee structure for costs.**
  - **Child** – up to 11 years
  - **Youth** – 12 – 14 years
  - **Adult** – 15 – 64 years
  - **65+ years**

MFD aim to expand their service provision in the near future with the inclusion of online application processing, potentially stream lining the process further.

- Download the [General Immigration Medicals Certificate Form INZ 1007](#) and the [Chest X-Ray Certificate Form INZ 1096](#).

**It may be an advantage for you to :**

- [Mangere Family Doctors Patient Immigration Information Form](#)

**How does it work?**

- Applicants may phone to book the first appointment and provide basic information or visit MFD to obtain patient information/forms before making the first appointment.
- Prior to the first appointment all applicants are requested to arrive early if still needing to complete forms for photocopying and to make their payment at reception.

- A second appointment with the Medical Team will be arranged on the same day wherever possible.
- The third and final appointment is completed with a GP once the Laboratory Tests are returned to MFD and there are no extra testing requested - this process could take 3 to 4 x days.

**For information regarding Mangere Family Doctors, visit [www.thedoctors.co.nz](http://www.thedoctors.co.nz)**

### **What do you bring to your First Appointment?**

- Authentic Passport
- Funds available to make "Immigration Package provider payment
- Any relevant information from your Immigration NZ contact.
- Your NZ residential address and cell/email information.
- Authentic documentation required if you have changed/or have different information on your passport eg name change - married name/spelling of name etc.
- If a parent or guardian is accompanying a minor, they must also bring their passport and authentic proof of guardianship.

### **Applicants outside of Auckland**

- Once contact has been made with MFD there are variable options of service to discuss with Immigration Administration/Reception staff. eg
  - You can choose to
    - Make fee payment via internet banking
    - Choose to have your immigration medical results couriered/emailed to you.
    - Down load Immigration Patient Information Form/request email
  - Two – three visits to Auckland MFD – the third and final one with GP once Lab results are received and there are no extra testing requested by GP or Immigration.
  - Information and reports will be sent to Immigration NZ via MFD within 24 hours.

### **Points to note:**

- **Pre-payment is required at appointment 1.**
- **It is requested you arrive 10 -15 minutes before Appointment 1. in order for reception staff to assist you with the completion of your forms, receipt your payment and any photocopying for your Passport ready for Immigration Administration to complete your electronic data input.**
- **Children under the age of 11 years do not require a Chest X-ray**
- **Children under the age of 15 years do not require a Blood Test.**
- **At appointment 2. you may be required to complete a urine sample, blood test, vision test (so bring your prescription glasses with you).**
- **If cancelling an appointment please phone MFD (09 275 9977) within 48 hours of your appointment with an acceptable cancellation request – failure to do so will incur a fee (ref: Patient Information Form).**
- **Extra testing/GP consultations required will be additional to the Package Fee.**

**For information about immigration medical requirements, go to [New Zealand immigration](http://New Zealand immigration website) website.**

- Failure to provide the items requested including payment will delay your Visa application completion.
- If you provide false information your Immigration Medical application with Mangere Family Doctors will incur a fee and your application cancelled.
